

# Mariage, more than a friend - *John 11:33*

Dr. Byron Morgan

## Intro

Byron loves greek and couldn't get enough and just ate it up!

There are many distinctions on the word love!

A few Greek words

**Storge** domestic love

**Eros** sensual type of love

**Agapge** highest love, unconditional, sacrificial

outside of Kone greek agape was hardly used until the septuigant came along

**Phileo** the word we get for "brotherly love?" No.

**adelphos** brother

Christ could have quoted more passages out of the Septuigant rather than the hebrew OT

## Phileo - Meaning

Marriage is more than just a friendship.

An emotional connection that goes beyond acquaintance.

It involves an emotional attachment and runs very deep! One of enjoyment and appreciation.

When we are told to "love our enemy" "agapeo" is always used - which is possible by the empowerment of the HS. However, this is not possible with phileo.
