Luke 6:46

We are exposed to tons of information every day!

And most of it bores us - and much of it is not true.

What causes us to stop and listen? A sense of urgency!

3 reasons as to why the people should be motivated to listen to what Jesus has said.

God is the Boss

Luke 6:46

“**Lord**” speaks of Christ’s deity
when repeated it speaks of “teacher of teachers”, “master of masters”, and
“God of all Gods”

Revelation 17:12-15

Jesus is speaking to zealous, pious, passionate Jewish people who believe in YWYH.

In this passage Jesus isn’t just talking about stashing up on knowledge! He is calling them to transform their lives based on the knowledge they are given.

We are in the grace age. Why do we call it this? Because there is more grace now than there was before because of the first coming of Christ

What does the young engineer do what the office when he’s among a bunch of malcontents when the boss walks in? He puts himself under the authority of Christ.

Christ is your boss! Do what He wants you to do! Submit yourself to Him. While other people will say otherwise keep the mentality.

When God speaks we pull out the yellow pad and pursue righteousness!

A Well built life

Luke 6:47-48

Because of the benefits we have!

We don't want to get close to preaching a prosperity gospel!

Each tree is being known by its fruit! *Luke 6:44*. If the H.S is working in your life then there will be fruit.

Luke 6:42 - when you remove that judgemental spirit from your life you are more prepared to administer to others.

"The rock". When you are obedient there is a measure of strength and fortitude and courage to stand against the tough times in life.

Proverbs 28:1

Examples of the "lion roars" * *Acts 21:12-13* * *Acts 25:8-9*

Living on the rock means we begin to live by the principles of Christ which sets-up a pattern in our life wherein when the trials of life come our pattern is rock solid and we don't flinch.

Do we have to live in obedience before we are blessed? No. *Ephesians 1* says that we have been given all spiritual blessings! We already have them, but living by obedience is like cashing the checks for the money God has put in the bank.

Joshua 1:8

We cannot choose which things we obey God with! We must have full obedience!

The Consequences of not

Luke 6:49

Who would build a house in a river bed

"hear" passive hearing

"akouo

"hyper" word we get for "hyper"

"obey" "hupakouo"

hyper listening, careful listening!

To often we listen with half a head

Proverbs 1:22-32

"Wisdom" is not worldly smarts but an application of God given knowledge

Are you living to close where you fell in?

Application

Compare your self to where you were 2 years ago:

- prayer life
- what about my giving? amount and joy therein?
- church loyalty
- bible study, am I learning to learn?
