

# When Life Hurts - Luke 6:20-23

Dr. Byron Morgan

## Introduction

The world laughs at things we shouldn't laugh at. And cries at things we should cry at.

*Ecclesiastes 3:4*

A sense of happiness is often used as a sought after narcotic to relieve or avoid the pain in their lives.

There is a time to weep!

*Luke 6:21*

**“you who weep”** or “you who are weeping now”

## When is it Godly to weep?

### Grieve over your own sin

There is a time when we need to realize how broken a people we are! And when we are struggling with a sin; go before God in mourning.

*2 Corinthians 7:9-10* - sorrowful to the point of repentance which has no regret.

This is not shame or condemnation. While sorrow can be an avenue to salvation, this passage is talking about sanctification. This sorrow is to lead to confession, and restoration.

**“salvation”** “sozo”  
deliverance

This is *not* saying that we

## **Grieve over the sin in the world**

Isaiah says Christ was a man acquainted with grief. He himself was grieved over the sin of the people.

*Matthew 9 Matthew 23:47* : Christ weeps over the sinfulness of the people around him.

*Psalm 119:136*

## **Grieve over the sin in the body of Christ**

*James 4:1-10*

Here James is talking about the lust of ego.

“Cleanse your hands” - a figurative statement for being restored to fellowship.

When we see division in the body of Christ we are to grieve.

We are to mourn over the division so we can laugh later.

## **How do we know when to stop grieving?**

### **When we realize we are being disciplined**

We stop grieving when we realize we have something to do about it.

We are not punished by God but disciplined! We are being restored from God, not punished!

Remember the battle of Jerico, and Ai in Israel. When they were defeated they were grieving alot! God’s response to the sin of Acon was not “oh you poor thing”, instead he said get up!

*Joshua 7:10*

### **When we have confessed our sins and/or restored**

*Psalm 32:2*

“blessed” “ashar”  
means happy!

This Psalm is saying “it is time to move on!”

Why is this important? Because so often we live our lives in the past! We blow it and we live with the shame and guilt.

## **When God has closed the door**

When a dream is broken, the opportunity has passed.

You are not grieving because of your sin but because of an opportunity that has passed.

*2 Samuel 11*

David wept over the sin with Bethsheba, however when David heard the news of the death he got up and moved on with his life.

## **When God sends his comforters**

*2 Corinthians 1*

*2 Corinthians 7*

Paul here is depressed! But God, sends Titus - a spiritual son - to comfort Paul.

## **When is it wrong to laugh?**

### **When you are avoiding your sin**

*Luke 6:25*

“woe” it conveys a warning saying “I pity you if this is correct”

It is said that Nero was fiddling as Rome was burning. This is the kind of laughter that doesn’t want to face the issues of life.

This is when we use humor to deflect the issues of life.

*Amos 6:4*

God says “you’ve got a problem!” But all you seem to want to do is party.

*2 Timothy 3:16*

### **When it is at the expense of another’s faults**

*Proverbs 24:17*

### **When we laugh about sin**

*Ephesians 5:3-4*

## Application

Kingdom living says our laughter should not be the same as the rest of the world.  
When we commit sin we should grieve and change our minds (repent) and confess it.

When sin is confessed and I am restored God wants me to rejoice and be glad.

Christ is our road, we can't learn to live rightside up by listening to the world, we must listen to Christ!
